

# Module cover

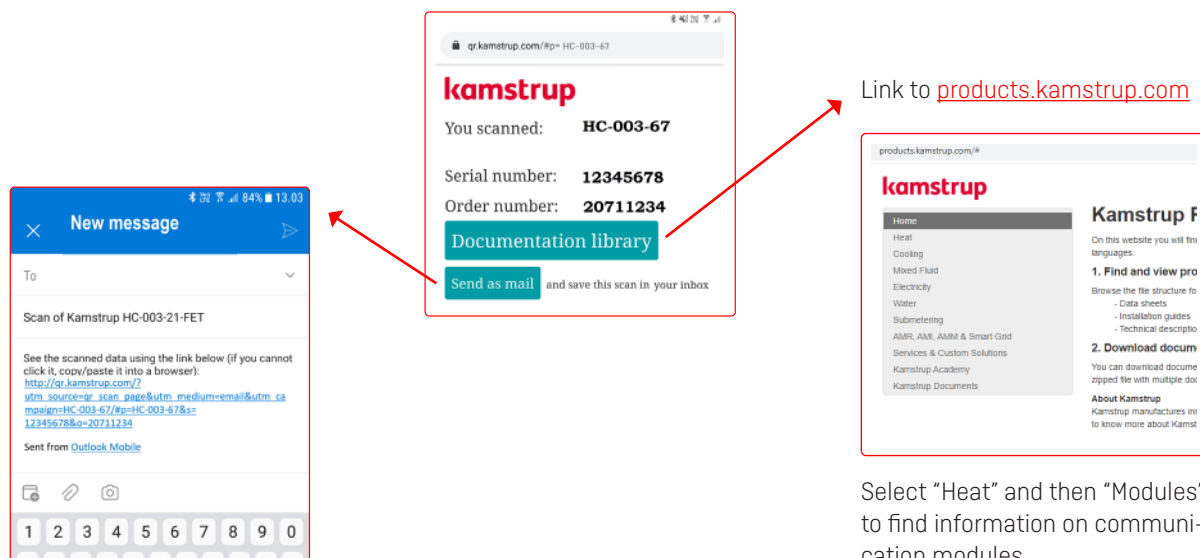

All HC-003-modules for Kamstrup MULTICAL® 403, MULTICAL® 603 and MULTICAL® 803 meters are delivered with a protective cover.

The cover is laser engraved with marking to assist installation:

- Description of the module functionality
- Description of the module type
- Description of the functionality associated with the screw terminals
- Serial number of the module
- QR code with links to a Kamstrup home page.

By following the link in the QR code, you are led to this site:

To send email with information e.g. to order new modules.
